9	A. GENERAL Page No. 07 3. QUALIFICATION OF THE TENDERER: The scope of this tender pertains exclusively to the **Solid Waste Management (SWM) sector** and does not involve any significant Civil Engineering components. **Including Civil Engineering works turnover in the eligibility criteria may inadvertently attract bidders whose core competency lies outside the SWM domain.** This could result in technically non-competent agencies qualifying based on unrelated civil works turnover, thereby sidelining genuinely competent SWM-focused firms who possess rich experience and capability in waste management operations but may not have undertaken civil contracts. We kindly request you to revise the clause to reflect only the **financial turnover from Solid Waste Management works/projects or allow the bidder to do Joint venture.**	Tender Condition prevails.
10	A. GENERAL Page No. 07 3. QUALIFICATION OF THE TENDERER 3.2(b) We kindly seek clarification on whether only completed projects will be considered for eligibility or if ongoing projects-where a significant portion of the work has been executed and billed-can also be considered as qualifying experience, subject to submission of relevant certificates from the concerned authorities.	Tender Condition prevails.

11	A. GENERAL Page No. 07 3. QUALIFICATION OF THE TENDERER: 3.2(c) We seek clarification and request a change in the Interpretation of **"Scientific Landfill"**. The term Scientific Landfill should not imply mere disposal or dumping of waste but rather should be clearly defined as **Scientific Processing and Disposal of Municipal Solid Waste (MSW)**-particularly focusing on legacy waste treatment through **bio-mining, bio-remediation, and scientific disposal practices in line with CPCB/SWM Rules guidelines.**	Tender Condition prevails.
12	SECTION 6: CONTRACT DATA Bio-Mining of Legacy waste at Subbarayanapalya, Bengaluru. Please confirm whether **the transportation of Bio-earth, Inerts, and RDF to Mitaganahalli Landfill and Bidadi WtE Plant is to be arranged entirely by the bidder.** Kindly provide indicative **quantities or percentage estimates of Bio-earth, Inert, and RDF** expected to be generated from the legacy waste to allow for better planning of transportation logistics and cost estimation. Kindly provide a **list of machineries and vehicles provided by BSWML** for the Project	Yes Refer Tender Document. No machineries are provided by BSWML.
